## Contents:

**The Churnet Room**

**The Britannia Room**

**The Rudyard Room**

**Corporate Events**

Westwood Golf Club is set in rolling Staffordshire countryside on the outskirts of the historic market town of Leek. The picturesque course rises gently from its setting in the beautiful River Churnet valley, with peaceful views across the valley to the wooded hills beyond. The club is only 7 miles from Stoke-on-Trent city centre.

Westwood Golf Club is renowned for the warm welcome extended to members, guests and visitors. The convenient position makes us the perfect location for any conference, meeting or training session.

We also have a large free car park on-site.

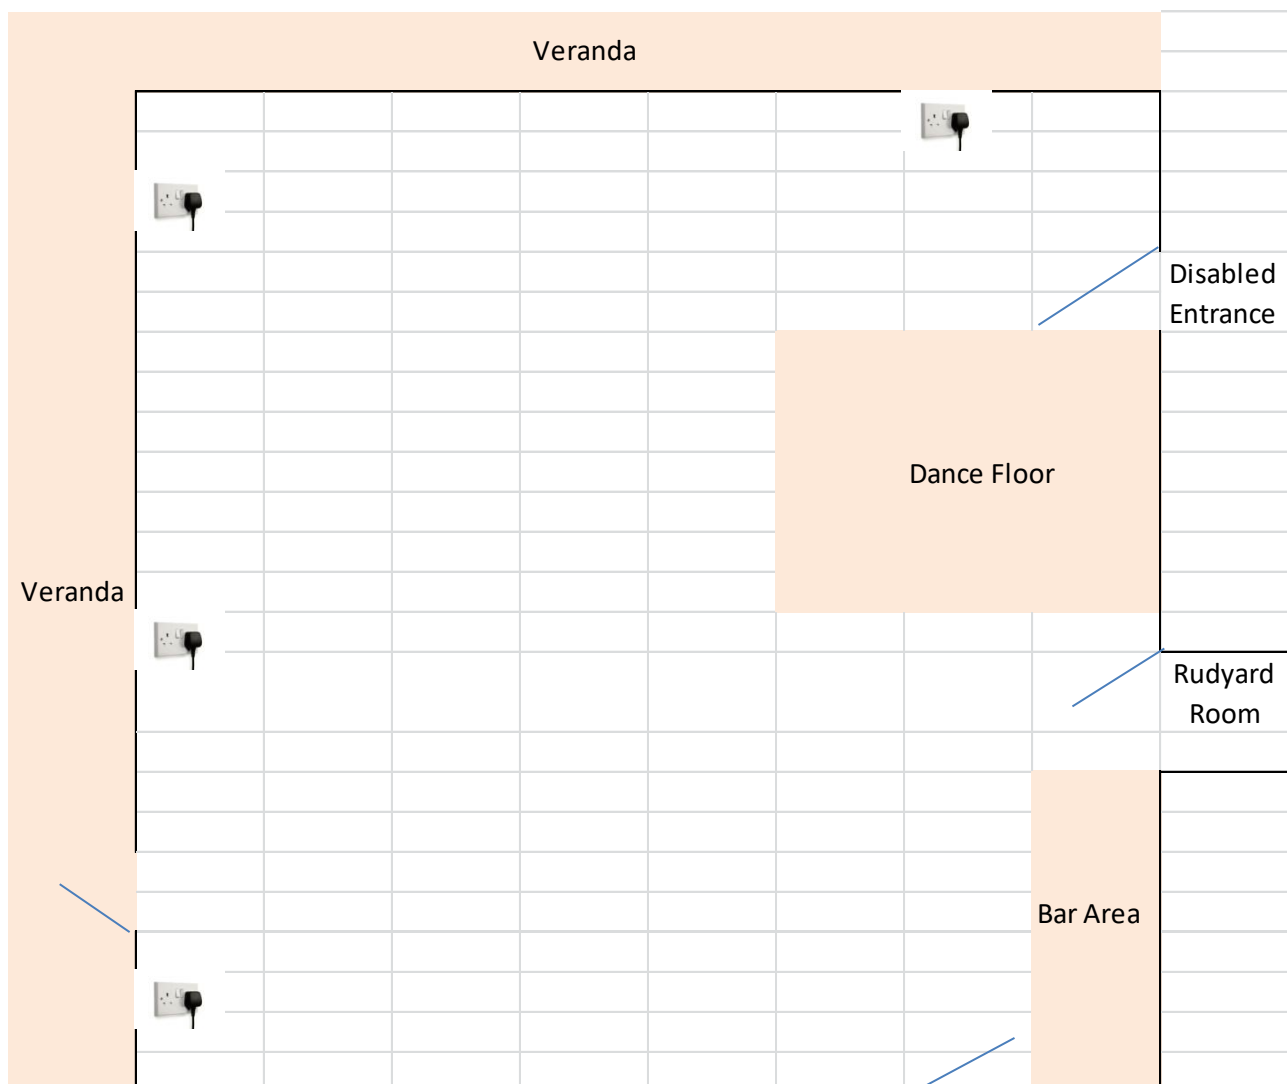

All of our 3 meeting rooms have Wi-Fi at no extra charge.

## OUR MEETING ROOMS

### The Churnet Room

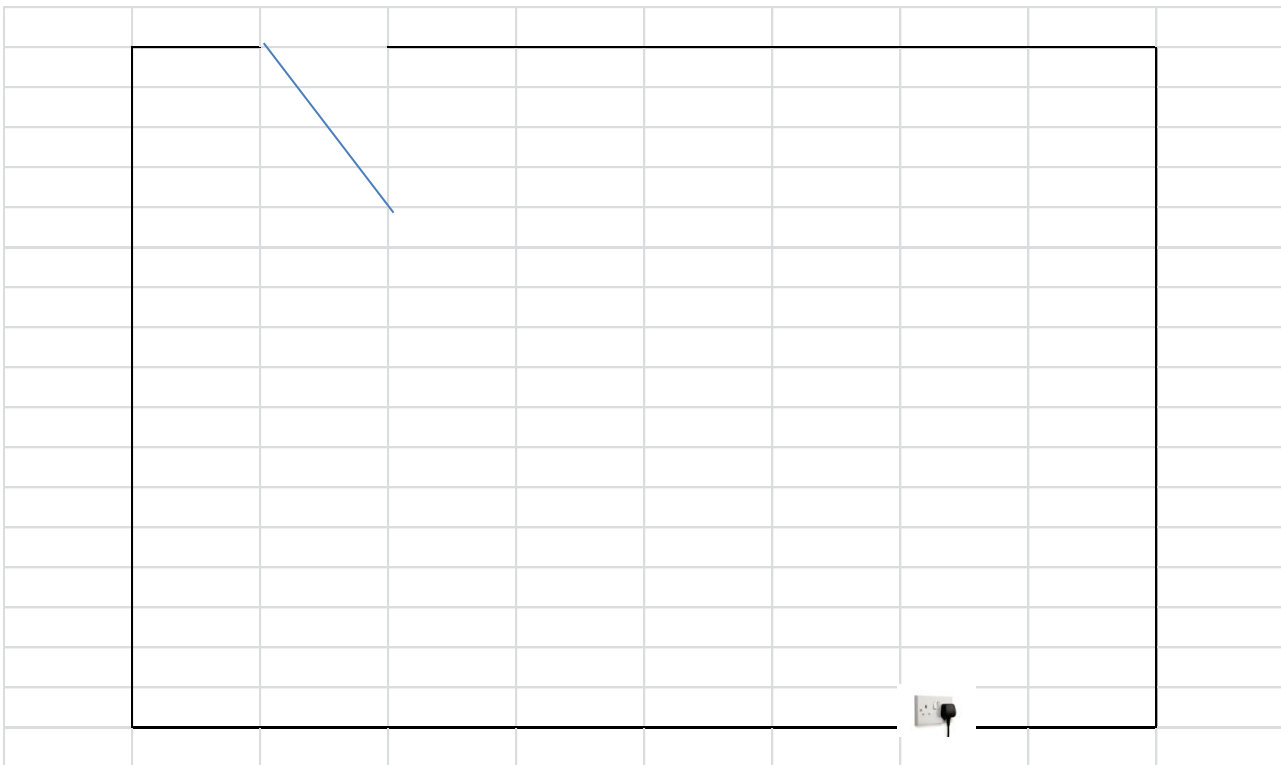

The spacious Churnet Room is ideal for large events. With windows on 2 sides the Churnet room overlooks the beautiful golf course and River Churnet. With its veranda and patio furniture it provides an ideal breakout area, particularly on warmer days! It also has its own private bar and adjacent toilets.

## The Rudyard Room

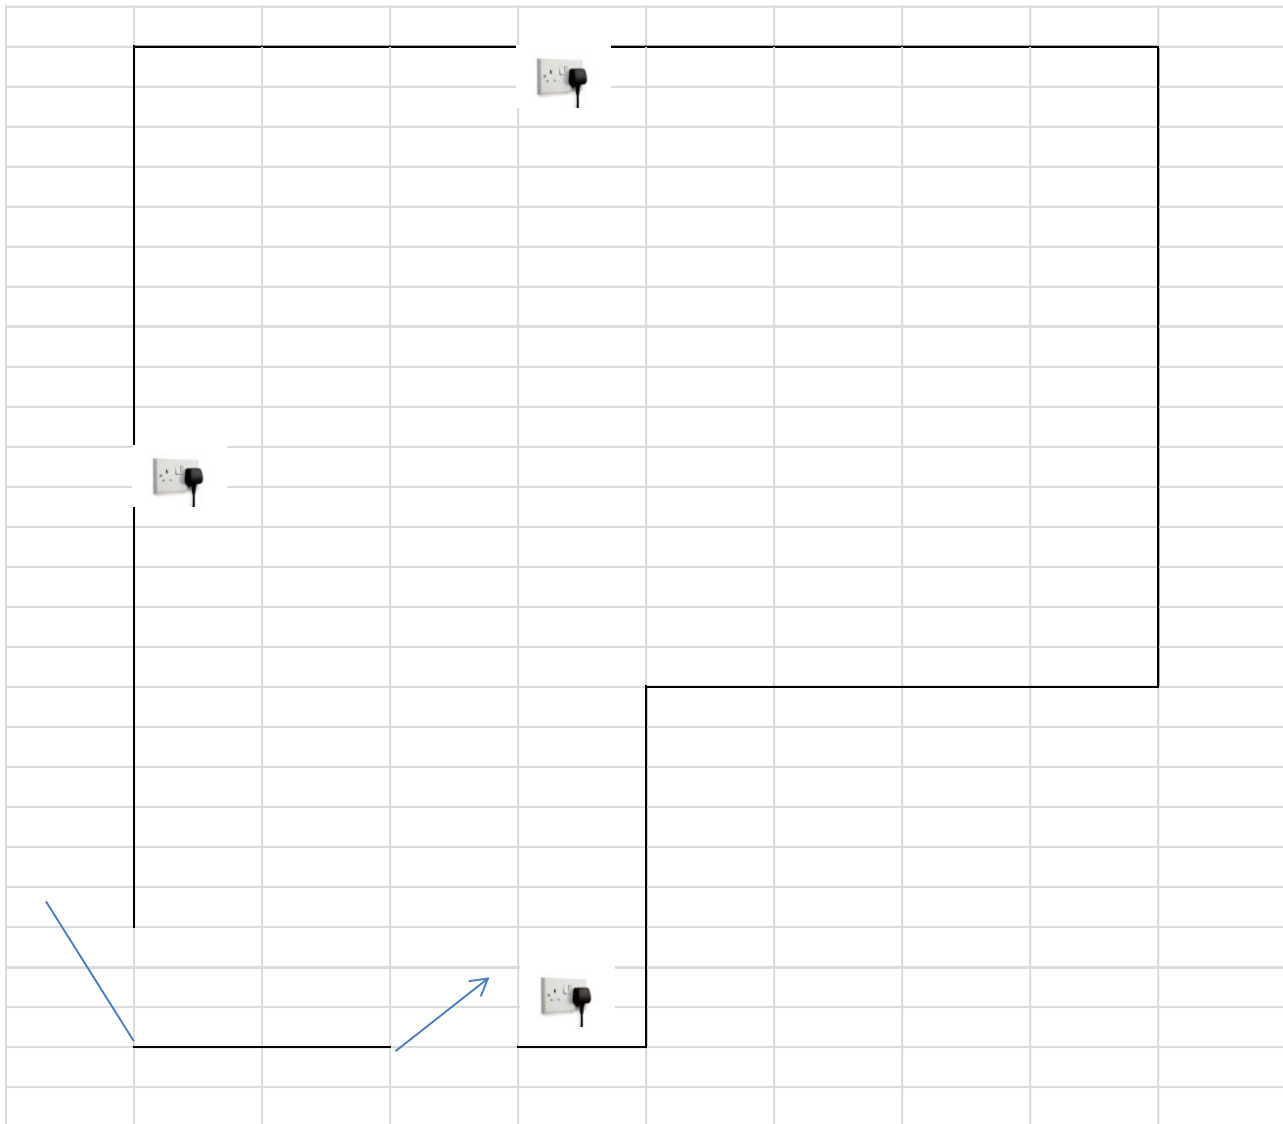

A nice, light room which also overlooks the golf course. This is the smallest of our rooms and is ideal as a breakout room as it adjoins the main Churnet Room.

## The Britannia Room

A quiet, bright room ideal for smaller groups. With windows on one side overlooking our putting area this room is also ideal for private dining and can be a breakout room during a large conference.
